VOTE COMMUNIST! MAKE HISTORY!

What is the real significance of this campaign? Aside from the 30's and 40's, in a few cities and never statewide, no communist has won an election in this country and if we win in November, we will be the only party with a communist in office!!

What is the importance of this for the working class? Only with communist leadership and our program will the working class have a voice in government!

When the working class puts General Baker in the state legislature it will change the entire political climate of this country!

Every political party, the eyes of the world proletariat, to say nothing of the bourgeoisie and its henchmen are on us!!

The General Secretary of the CLP, Nelson Peery, said: "Battles are won by the clarity of its leaders."

The leaders of the working class are the communists and our ability to convince people to vote CLP depends on our clarity as to the significance of this campaign and our ability to transfer our enthusiasm to every person we talk to!!

A VOTE FOR THE CLP:
A VOTE FOR JUSTICE!

In Flint, Michigan, the bourgeoisie is intensifying its attacks on the standard of living of the working class. These recent strikes (truckers at Hamady Brothers Food Markets, truckers at Buick, and Chevrolet Truck and workers at Hall Steel) bear witness to this. Coupled with these have been fascist attacks particularly against the Negro national minorities. In recent months we have witnessed a sham integration plan by the Flint Board of Education. Seventeen year old Ken Nard is now serving a double life sentence for a crime he could not have committed.

Recently, the most vicious attacks have come from city government; namely, from Prosecutor Leonard, Police Chief Szaba, and Mayor Ruthford himself. The recent case of Madeline Fletcher, who was accused of assault with intent to do great bodily harm has opened a Pandora's box to Flint's own Watergate! Miss Fletcher was acquitted by a working class jury. However, despite the fact that she was found not guilty; despite the fact that the Prosecutor, Police Chief and the Mayor admitted in testimony at the trial that "racism" and "sexism" existed in the police department; justice has not been done!! Prosecutor Leonard

CLP CAMPAIGN RALLY!

7:30 p.m., Sunday, July 25th!
Trinity Methodist Church,
Woodward and Buena Vista!

INVITE EVERYONE! IMPORTANT INFORMATION! ENTHUSIASM GALORE! HEAR THE LATEST! BRING FRIENDS, PEOPLE ALREADY ACTIVE IN THE CAMPAIGN, PEOPLE WHO DON'T KNOW MUCH ABOUT THE CAMPAIGN!

THIS IS A HIGHLY IMPORTANT RALLY! YOUR PRESENCE IS REQUESTED!

Flint cont.

has refused to press charges against Ms. Fletcher's assailant, Kalberer, who shot her in the incident. A number of organizations have and are waging militant struggles against this and other gross injustices against the working class of Flint. A public hearing will soon be scheduled to allow the entire community and other mass organizations to voice their outrage.

The workers in Flint realize that the Democrats and Republicans cannot and will not bring to them jobs, peace and equality. None of the present candidates have taken a stand on these issues. The Communist Labor Party has entered these struggles in a real way and the workers of Flint are realizing that they need a voice in the state legislature this year! More and more, workers are committing their vote to the Communist Labor Party on August 3rd. They are donating their time, funds, and ideas to the campaign. We urge all fellow workers and progressives to support the struggles for jobs, peace, and equality

ATTEND THE PUBLIC RALLY!
VOTE COMMUNIST ON AUGUST 3rd!
